### **THE NEW LABOUR MARKET CHALLENGES AND OPTIONS FOR SOCIAL PROTECTION**

**07 October 2019**

Sala Conferenze R.G.S.  
Ministero dell'Economia e delle Finanze,  
Via XX Settembre 97, Roma

### **Outline**

The first international workshop 'THE NEW LABOUR MARKET CHALLENGES AND OPTIONS FOR SOCIAL PROTECTION' takes place in the context of the EU-funded MOSPI (Modernizing social protection system in Italy) project and coordinated by INAPP. Starting from the results of INAPP report, the workshop aims at gathering high-level scholars and policy makers to discuss the current transformation affecting the EU and Italian labour markets and social protection systems. The focus is on the *socioeconomic impact of digitalization, aging and changing labour markets*, on labour market dynamics and in particular of non-standard employment, self-employment and platforms workers, and for their access to the social protection system.
